Where are we going?

#DreamWild
#UK25WSJ

The Republic of Korea

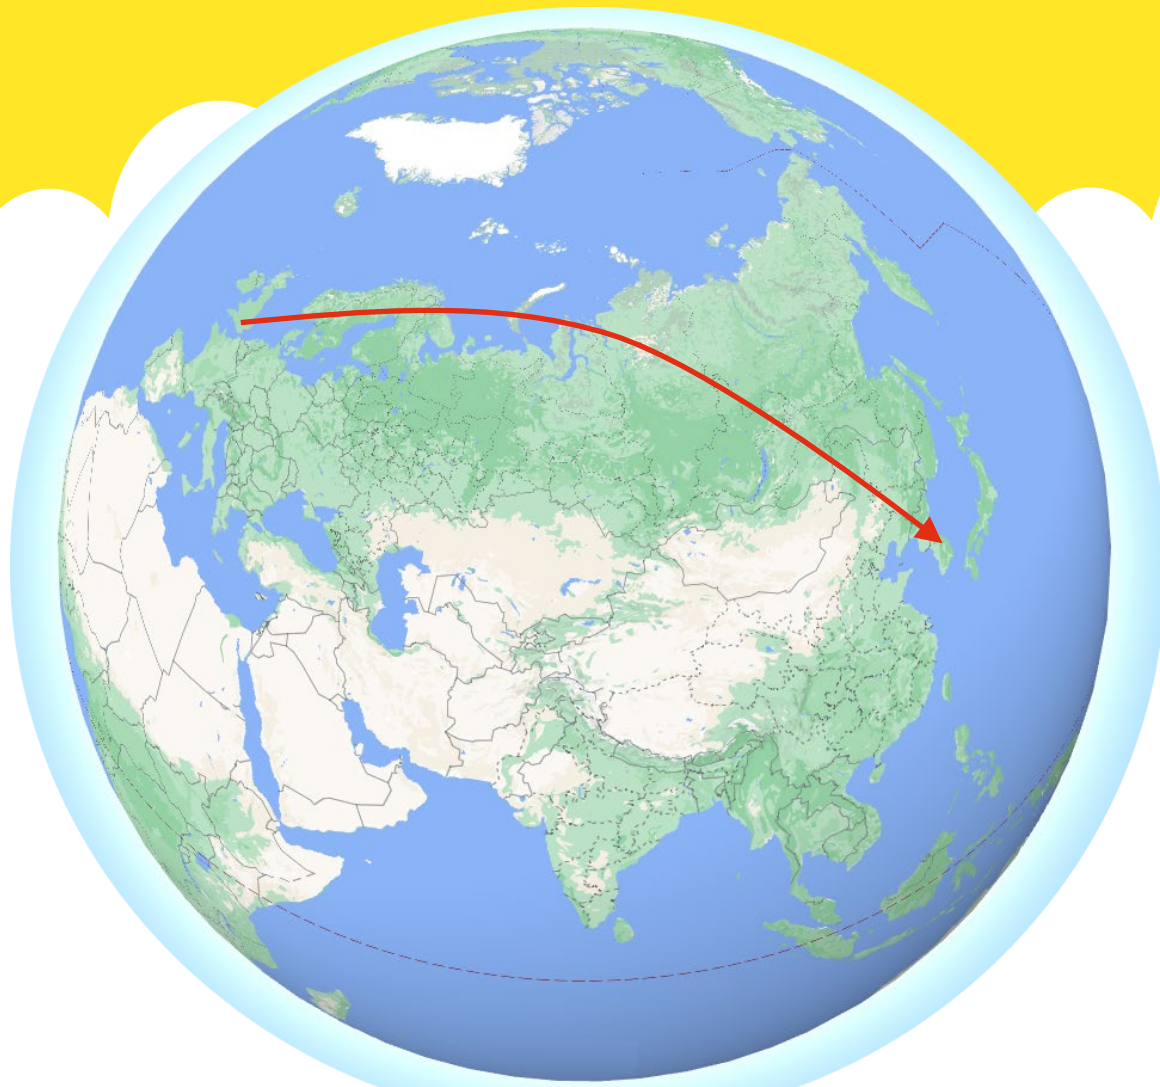

(“South Korea”)

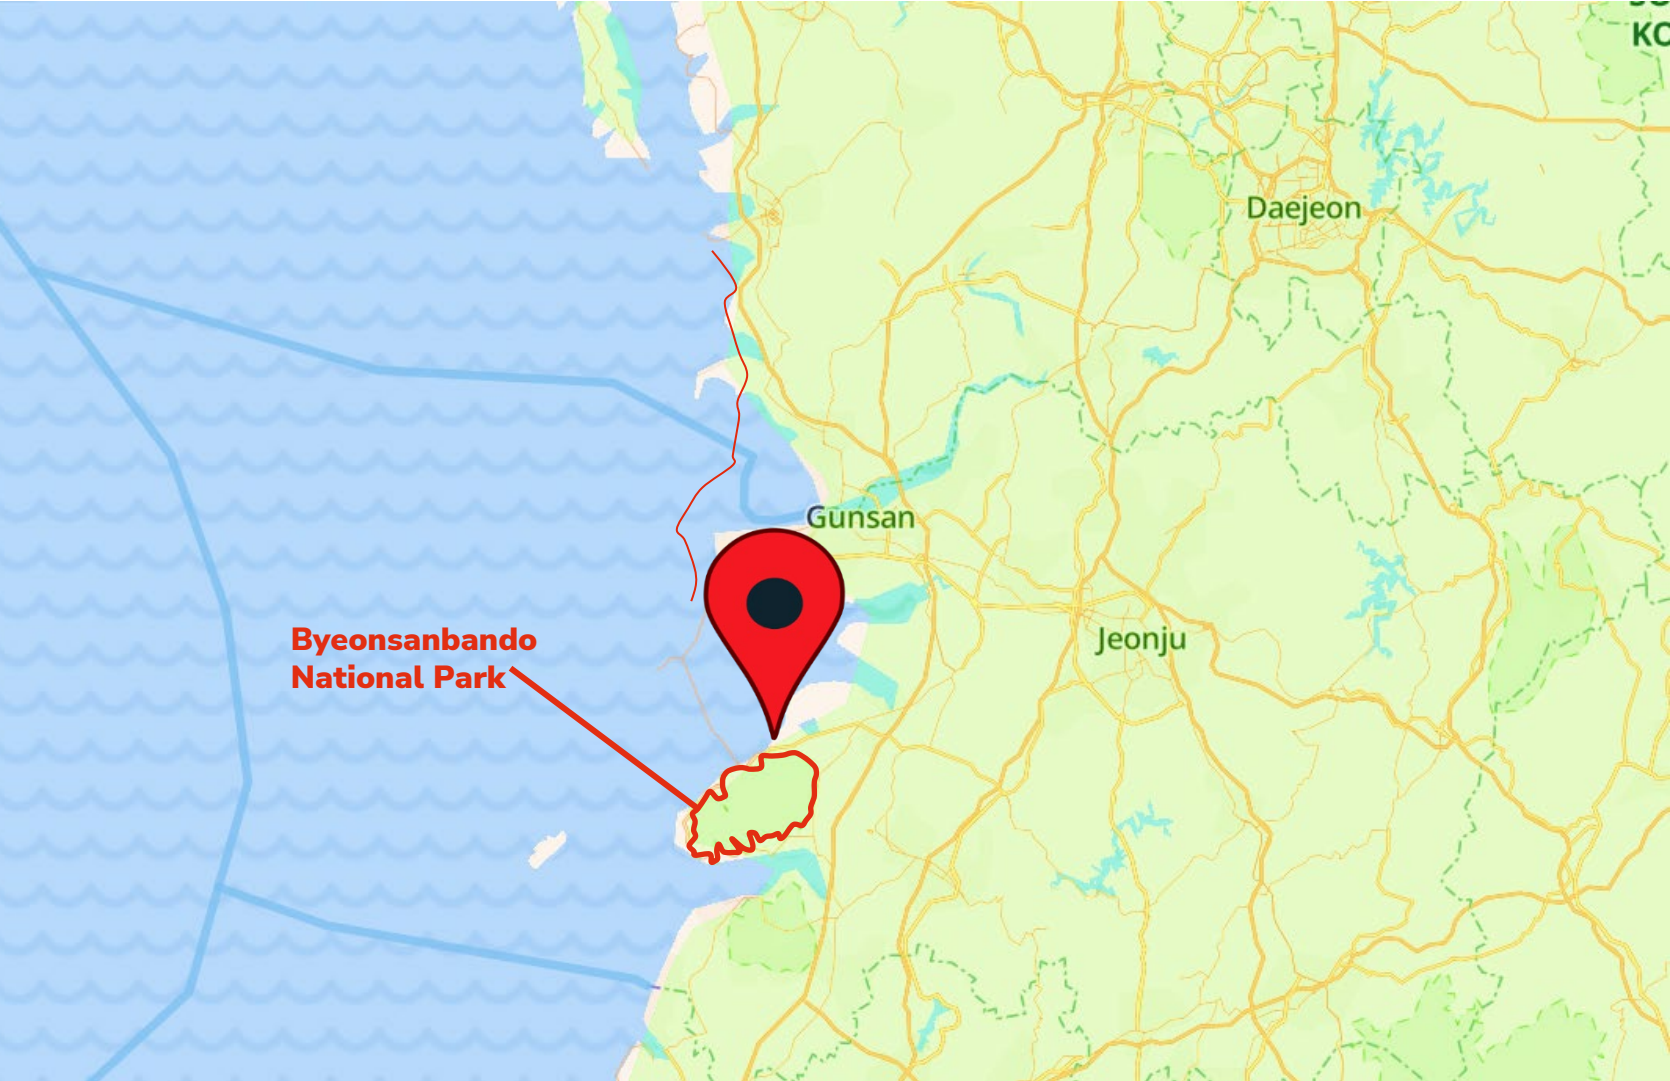

“ ...the food is something else, the temples beautiful, the transport faultless. But what wholly entranced me was the people – knocked sideways by their manners, [customs] and decency.

...I could go on for pages about why I love Korea and I simply wouldn't know where, when, how – or possibly even why – to stop.

Damian Harper
Author – The Lonely Planet Guide to Korea
